Dear Guests,

On behalf of the entire team at the Florida Yacht Club, it is my distinct pleasure to welcome you to the 2025 Equinox Regatta and Club420 Southeast Championship. We are honored to host such a distinguished gathering of families and friends for what promises to be a spectacular weekend of competition and camaraderie at the club.

This year we are especially delighted to welcome you to the first regatta following the completion of our eagerly awaited renovations including a state-of-the-art swimming pool and new River Porch and Bar, which will take center stage as part of our Saturday night dinner.

Throughout the weekend, our staff is committed to ensuring your experience is seamless and memorable. Within this QR code, you will find helpful information including food and beverage menus and options, hours of operation and other club details so you can enjoy all that the FYC has to offer.

Thank you for being part of the Equinox Regatta and Club420 Southeast Championship and for helping continue the legacy of excellence that defines the Florida Yacht Club. Please don't hesitate to reach out to me or any member of our team should you need assistance. We're here to help make your visit exceptional.

If you need any assistance during your stay, please contact:
